MAYOR'S REPORT

As most of you probably already know, I am saddened to share with you that we lost one of our community family members and a prominent citizen of Eton in my book. Milda Carpenter passed last week. She was a resident of Eton for the past 30 years and a total pleasure to be around. She will definitely be missed and our prayers and thoughts go out to the family.

Summer has definitely arrived for Eton so please be sure to stay hydrated when working outdoors.

The 4th of July fireworks show is just around the corner. I look forward to seeing each and every one of you there.

We are also beginning a number of beautification projects to change the aesthetics of Eton. I believe everyone will be pleased with the additions which will help make our little town attractive to potential businesses and to visitors who patronize our community events and businesses. The funding for the new projects will come from awarded grants and our SPLOST funds.

We are working on a couple of potential businesses interested in locating in Eton. As always, thank you all for your continuing support and we will continue to work hard for you and the city.

I hope each of you have a safe and Happy 4th of July!

Kind Regards,
Billy Cantrell
